

# Lakeside Farm Newsletter

Hello everyone.

Welcome to our first newsletter, it's been so cold at Lakeside recently the lake has totally frozen.

Unfortunately we have lost a lot of wildlife not just because of the bad weather but due to the resident fox walking over the lake and taking most of our ducks during the night. We still have Lonely and one of the three running ducks Daffy, lonely refuses to bed down in the safety of the chicken house but Daffy loves it in there.

## New Year Party

We are looking forward to our New Year Party, please be aware with our -9 temperatures at night water freezes almost immediately. Please prepare for your stay accordingly.

## Tarts and Tarts Party

Begins at 8.30pm – 9.00pm

We need volunteers to help with the party, can anyone help with the disco music (do we have a Naturist DJ out there?), also do you have a silly game we can play, bring it along to add to the evening. Bring a CD (a copy if you can just in case of any damage to it).

We are planning a Dutch Buffet so bring enough food for your party and a little extra then we will be sure to have plenty. Also bring along any alcohol, only plastic glasses please.

We have had reports from some of the guests who will be here, it sounds like it will be a very interesting evening costume-wise to say the least.

## Electric gates.

We have had problems with electric gates for some time as many of you will know, however the strong winds of late have damaged the rotor arms and unfortunately they no longer work.

**Guests** that are booked in **with caravans** please let us know your expected time of arrival or phone us if the gates are closed and will open them.

Other **guests** that are arriving **in cars** please drive on to the second entrance this gate will remain open until we have solved the problem.

## Bookings for 2011

We have taken a lot of bookings already for 2011, if any of you are thinking of staying during the bank holidays it would be a good idea to book now to avoid disappointment.

## Looking back on 2010

Firstly we would like to say many thanks to our friends and guests for all of your lovely Christmas Cards.

We have spent time this year trying to improve facilities, we have moved the sauna, plumbed in the shower, introduced the self serve shop for ice creams etc. and the gym in to the Old Pottery building near the gate, the hot tub has been moved from the side of the bungalow to overlooking the Lake, The decking has been enlarged, the first Studio (Lake Studio) finished with the second one ((Garden Studio) due for completion soon. 2010 has been a good year at Lakeside we have seen many visitors including some first time Naturists, we hope to see everyone again in 2011. We would finally like to wish everyone a Merry Christmas and a Happy New Year.
